## FROM THE PRINCIPAL

Dear Foley Family,

When I was on the field at Homecoming in September, I was honored to present not just our distinguished alumnus, but a very special group of Foley Alumni: the Class of 1969. Celebrating the rich history of Bishop Foley Catholic and continuing the timeless legacy that goes forward is a duty I take on with joy each and every day. When speaking with a member of the First Class, I was surprised to hear he had only attended Foley for his junior and senior years. During each day of his sophomore year in public school, he worked to save up the tuition needed to attend BFC, knowing it was the best path forward for a formation of the head as well as the heart. He was still proud of his time here, as well as his personal sacrifice in getting a Catholic education. His story reminded me how fortunate our students are today to have parents, benefactors, and fundraisers affording them the opportunity to attend Catholic school. My staff and I are grateful for the sacrifices made by all, each and every day. I know that with continued support and prayers, Foley will be here when the Class of 2019 returns for a 50 year reunion, blessed by a life built on a solid foundation of walking with Christ.

Yours in Christ,

Frank Accavitti III  
Principal

# ADVANCEMENT

Hello Foley Family!

I am Evelyn Schaublin and I am the new Director of Advancement but I am not new to BFC. I have had the privilege of being part of the Foley Family since 2006. My husband Mike and I have 3 Bishop Foley graduates (Christopher '10, Andrew '12 and Timothy '17). I am excited for my new adVENTURE in Advancement but it comes at a great cost to the Foley Family; the loss of a dear friend and beloved staff member, Amy Uebbing. Her shoes will be hard to fill. Everywhere I look I see the touches she has put into place to make BFC a place where students can grow in their faith, realize academic success and create lifelong friendships. Since my arrival, the Advancement Office is hard at work getting ready to offer admittance to students for the Class of 2024, hold the Annual Cookie Walk and Craft Show and promote our Annual Fund and Elevator campaign. Amy's goal before she passed was to raise funds for the Rise Up Elevator Campaign. She wanted every student to have a barrier free learning experience. Please see below for more information on fulfilling a dream Amy was passionate about. Thank you all for the supportive welcome. Feel free to stop by and visit. Once you are part of the Foley Family you are always part of the Foley Family!

Peace and Blessings,

A handwritten signature in cursive script that reads "Evelyn Schaublin".

Director of Advancement

## RISE UP ELEVATOR CAMPAIGN

We have launched the Rise Up elevator campaign. We are a 54 year old, two story, building. When BFC was built an elevator was not required and was not installed. Each year many students undergo surgeries or sustain injuries that prohibit them from going up two flights of stairs to the second level for classes. For several weeks these students remain in the media center during class periods and miss out on valuable in class interactions. If a student is wheelchair bound this problem becomes more of a learning barrier. Please help us to do God's work and welcome all students to learn and grow within the walls of Bishop Foley Catholic. Our goal is to raise enough funds to install an elevator within the year.

Elevator Pass Levels:  
Going Up Donor \$1- \$250  
Rooftop Donor \$250 - \$1000  
The Sky's the Limit \$1,000+

If you are interested in purchasing an elevator pass, please send your donation to:  
Bishop Foley Catholic High School  
Attn: Rise Up Elevator Campaign

### AMY UEBBING (FEB. 28, 1963 - AUG. 5, 2019)

Amy Uebbing, former VP for Advancement, was a bright light here at Bishop Foley Catholic who will be greatly missed. She was the heart of the Advancement Department, and worked tirelessly to bring the schools mission to life on a daily basis. Amy always went above and beyond, doing whatever was needed and then some, and whatever would help Bishop Foley the most. She was truly one of a kind, and the memories of her sense of humor, passion, and loving heart will always be cherished.

## ALUMNA'S ALASKAN ADVENTURE

Going the extra mile in one of her upper level courses landed alumna Carly Finegan ('15) with an invitation for an adventure of a lifetime! Carly's dedication and interest in doing research in Environmental Geosciences was rewarded by one of her teaching assistants with an offer to join a field work trip to Alaska. While in Alaska, Carly completed field work for a National Science Foundation funded project called CALM (Circumpolar Active Layer Monitoring program). CALM was established in 1991 with the goal to monitor the thickness of the active layer, soil temperature, air temperature and vertical movement in sites around the Arctic and Antarctic circles. Carly worked with an international field team to collect information at various sites. "While there, I traveled by helicopter, 9 passenger plane, 5 passenger plane, truck, and foot. I drove the entire transect of Alaska, from Anchorage to Fairbanks, Fairbanks to Toolik, and then Toolik to Deadhorse."

Aside from all of the work being done, she was able to see some beautiful landscapes and animals. "The drives from Anchorage to Fairbanks and Fairbanks to Toolik were two of the most beautiful drives I have ever done in my life. From the mountains and the valleys to the abundant meandering rivers, it is easy to see how beautifully God created the world in Alaska." One of the most memorable parts of her trip was during a helicopter ride between remote sites where she was able to see a large moose. "It amazes me how such large animals, like moose, muskox, caribou, and bears, can thrive in the tundra and it was a joy every time I saw wildlife while doing field work.", says Finegan.

Carly credits Bishop Foley with instilling values in her that have helped her thrive in her undergraduate coursework, internships and relationship with God.

"Bishop Foley's roots and foundation in the Catholic faith has taught me to turn to God no matter what. In good times and bad, I find myself turning my heart to God to thank Him for the opportunities, friendships, and experiences He has given me or to ask Him for his help." Carly is currently attending Saint Louis University to obtain her Master's in Environmental Geosciences.

# CAMPUS MINISTRY

At the start of every school day, Student Council leads the school in prayer followed by the school's Mission Statement, "Bishop Foley is a Christ-Centered Co-Educational Community that accompanies students on their individual academic journeys to become servant leaders in an environment that fosters growth, opportunity and success in preparation for college and beyond". It only takes a week before that statement becomes ingrained in the minds of our students. Ask any student or staff member, and they can repeat the statement by heart. All jokes aside, our mission statement is not just an eloquent title or a phrase that is plastered on school marketing items. Bishop Foley Catholic High School makes a strong, conscious effort to provide opportunities for students, staff and parents to grow in faith. Last school year, several BFC alumni visited the school to share how they are actively living as servant leaders. Mike Spencer ('80), from the Life Training Institute, led an informative presentation on the Pro-life movement last September. It has been Spencer's mission to integrate faith and reason to support the rights for all life. Students were also encouraged and inspired to live out their faith by Foley alumna Ella Ward ('17). Ward shared how her experience attending a Catholic University has helped her grow in her relationship with Christ. It is incredible to see the wonderful Christ-centered work that is being accomplished by our alumni.

Another highlight from last school year was the 10th annual Be the Difference Day! This day would not have been possible without the leadership of Isabella Scaccia ('19) and Mackenzie Kopf ('19) who led the student committee. Bishop Foley volunteered at 20 service locations, including the O'Hare Project, The Humane Society, Brookdale Assisted Living, Gianna's Club, St. Vincent de Paul and the Bottomless Toy Chest. We are incredibly grateful for the parent volunteers and sponsors who dedicated their time and energy to make this day possible. Save the date: This year's Be the Difference Day is on Thursday, April 30th! God has big things in store for Bishop Foley Catholic High School this year! Weekly masses, adoration, and class retreats are a wonderful opportunity for our students to grow in faith. Please keep our Bishop Foley Catholic High School family in your prayers as we venture through this school year! If you have a prayer intention that you would like to share with your Foley Family, please email to [hursin@bishopfoley.org](mailto:hursin@bishopfoley.org).

# ATHLETICS

Kendel Taylor ('19) was voted as the Detroit Athletic Club Male Athlete of the Year for 2019. This is a prestigious award given out to a male and female athlete in the state of Michigan who exemplifies a high standard of athletic, academic and community achievements and contributions. Kendel competed against some of the best of student-athletes in the state of Michigan.

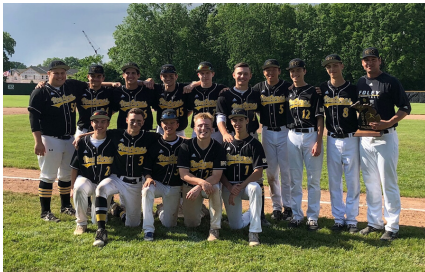

Left to right: Rich Seckel (Assistant Wrestling Coach), Gabe O'Neil (Assistant Lacrosse Coach), Brian Barnes (Varsity Football Coach), Kendel Taylor, Brian Hassler (Athletic Director) and Berney Gonzales (Varsity Wrestling Coach)

Coach Ray Joseph was inducted into the Catholic League Hall of Fame after serving as a coach for over 40 years (the last 14 with Bishop Foley Catholic).

Multiple student-athletes received awards at the CHSL Scholar Athlete Banquet.

The baseball team were crowned district champions in the spring.

Catholic Athletes for Christ finished up its 3rd year with over 60 student-athletes in the club.

The softball team was also named district champions in the spring.

The Cathletes volunteered to read at more than 8 different Catholic grade schools, along with other service projects.

# MUSIC

It's been a busy time in our Music Department! Choir, Band, and Music Ministry are in full-swing, and our students are performing regularly around the school community. We brought back the pep band this year, which played for the Homecoming pep rally and football game. Now, Band and Choir are knee deep in concert preparation for our annual Christmas concert, which will take place here at Foley on Tuesday, December 10th @ 7 P.M.—you can never start too soon! We hope you'll consider joining us for this spectacular concert featuring our music and dance programs. Music Ministry has already led worship at several school Masses, and we just wrapped-up our first K-12 Mass at Guardian Angels, which was beautiful, spirit-filled, and worshipful. We look forward to seeing you at all the regular Foley Fall/Christmas events (Open House, Cookie Walk, Concert, etc.), and be sure to stop by and say hello. Finally, our musicians are once again going to see Trans-Siberian Orchestra—something we look forward to every year! Be sure to follow us on Instagram and Twitter @bfcmusicdept for the latest news and information! As always, please keep us in mind if you're looking to unload any used musical instruments or if you would like us to come perform for you! Have instruments/voices, will travel!

# DRAMA & DANCE

The Drama Ensemble recently performed 30 plays in 60 min. They have started rehearsing for their fall production "Witness for the Prosecution" which performs on November 15th and 16th at 7 P.M. at BFC. Dance company is hard at work preparing for the Christmas concert on December 10th. In the spring, the Drama Ensemble will present the lively musical "Anything Goes" on March 6th & 7th at 7:30 P.M. in the Lamphere High School Auditorium.

# ROBOTICS

Our FIRST Robotics Team, The Foley Freeze, had another successful season in 2019. At competition, they were District finalists at Troy and District Winners at Forest Hills, where they were featured on ESPN's coverage of the event. In addition to success on the field, they also received an award at each competition they attended, and were voted by other teams to be in the Top 10 robots competing at the World Championship. They were recognized with the Engineering Inspiration, Autonomous, and Industrial Design Awards at the District level. At both the MI State Championship & World Championship, they were again awarded for their outstanding robot automation with the Autonomous Award. Our robotics program continues to prepare students to succeed in future education and careers in STEM. From the class of 2019, Andrew Dixon & Gavin Jendza received the competitive FIRST scholarship to Kettering University. The FIRST Robotics Competition continues to grow in the state of Michigan, with the number of FIRST Robotics teams eclipsing the number of varsity football teams in the 2018-2019 school year. The Foley Freeze is currently busy preparing for the new season that begins on January 4th, 2020.

# HOME COMING

## CELEBRATING FOLEY'S PIONEERS

Fifty years ago the Class of 1969 became the first class to ever graduate from Bishop Foley Catholic High School. Flash forward to 2019, and homecoming seemed the perfect time to celebrate this wonderful class and their 50 year reunion.

After the wine and cheese reception, the Class of 1969 joined other alumni, staff and friends in the beer tent and enjoyed music from Coach Berney Gonzales, Eric Swanson ('98) and Nicole Murley ('12). During the game they had their own section near the field where they could reminisce and have a front row seat for the football game.

To add to the festivities, more alumni than ever before gathered at the homecoming game on September 20th vs. Everest Academy. Before the game, the Class of 1969 enjoyed a wine and cheese reception in the media center, along with tours of the school provided by the Alumni Board.

At halftime the Class of 1969 was invited onto the field to honor their 50 year reunion, and were met with thunderous applause from the stands! Mark Fosket from the Class of 1969 was presented with the 2019 Distinguished Alumni Award for being an example of what it means to live the Bishop Foley Catholic mission. Mark worked in Public Safety for thirty eight years, fifteen years with Air Ambulance, and currently helps transport veterans to visit memorials dedicated to their honor and sacrifice. After the game, all were invited back to the beer tent to enjoy music from DJ Nick Kaczmar ('86). It was so wonderful to see so many alumni back at BFC, and to get to celebrate the Class of 1969!

## WHAT'S YOUR LEGACY? THE ALUMNI LEGACY SCHOLARSHIP

In today's ever-changing world, it is more important than ever to invest in the future generations. As alumni, we all know the benefits of being a part of the Foley Family. These benefits may be different for each one of us. Along with the college preparatory education received, there are countless friendships and memories that have been crafted in this supportive environment by numerous alumni. Each year, Bishop Foley Catholic receives a number of applications from students whose parents are Bishop Foley Alumni and who are in need of financial assistance. Alumni and friends of the school have the ability to turn the dream of a quality education for these students into solid reality with their support of the Alumni Legacy Scholarship. The first Alumni Legacy Scholarship was awarded for the 2019-20 school year to Andrew Mleczo, and the Alumni Board looks forward to awarding many more scholarships to come with the support of generous donors like you.

The Alumni Legacy Scholarship is awarded to an incoming freshman who has at least one parent or grandparent who is a Bishop Foley Alum. All donations are tax deductible and any amount can make a huge difference in helping to change the life of a future Venture.

**For more information, or to donate, go to [bishopfoley.org](http://bishopfoley.org) and click on Alumni.**

# ALL IN THE FOLEY FAMILY

*Kelly Scaccia is a 1992 Foley grad who is Secretary of the Alumni Board, and married to alumnus David Scaccia ('91). They have three daughters, recent grad Isabella ('19), current student Priscilla ('21) and future Venture Lucia. We caught up with Kelly to discuss how she keeps it all in the Foley Family.*

## YOU GRADUATED IN 1991. WHAT WAS BFC LIKE BACK THEN?

*Foley in the late 80s, early 90s was pretty different from today.*

*Although Theology was everyday, every year, mass was occasional. The chapel was too small for mass so the gym was used in its place. The chapel was the 'go to' place when you had to 'chat' things out with a friend. Uniforms didn't exist, but the dress code was strict and we had Mrs. Russell in the hall looking over us in between classes to make sure we were in code. Lockers were used in between all classes, not the backpacks today. We had so many beloved teachers during that time and I hope they know how pivotal they were and how vividly they are remembered when alumni talk about their days at Foley.*

## WHAT WERE SOME OF YOUR FAVORITE EXPERIENCES AS A STUDENT?

*Some of my favorite experiences as a student at BFC were the annual Foley Fest in February, typing class (which has been with me throughout my life and is an asset), winning our Powderpuff games both Junior and Senior year, football games in the stands with friends, Homecoming in the cafeteria/pit (freshman couldn't go, just like today), proms, the friends I have made for life even if we don't talk often and my husband who stole my heart freshman year. Foley family is a real thing, not a motto.*

## WHAT MADE YOU DECIDE TO SEND YOUR CHILDREN TO BFC? HOW HAS IT BEEN GETTING TO SEE THEM AS STUDENTS IN THE SAME HIGH SCHOOL YOU WENT TO?

*When our oldest wanted to continue with her Catholic education, we gave her a budget list of schools that were optional and her last choice was Foley. She wasn't interested in the distance and thought we were going to pressure her as Foley alumni, so she saved it for last to shadow (VIP visit). She declared at pickup she loved it and that was the school she wanted to go to. Out of all the schools she shadowed, she said the students were the most friendly, the staff of teachers were down-to-earth and the distance would be worth it. Watching them attend Foley has been pretty cool, but a little weird, too. They are more spirited than we ever were and have embraced the stronger Catholicism practices Foley now practices. Watching them wear uniforms is new to us, but we love the elimination of chaos we experienced because of it. In the end, watching them wear black and gold and the Foley logo (I know it's BFC today, but to us, it is and always will be Foley) has resurrected our spirit as dedicated Foley alumni.*

## HOW HAS YOUR EXPERIENCE BEEN AS A CURRENT PARENT? WHAT ARE THINGS YOU LOVE ABOUT BFC?

*My experience as a current Foley parent has been a good one. We have trusted the staff with our children and watching our kids grow into young, dependable adults is in part due to their daily surroundings at Foley. I love the history of the school such as the Venture in the gym, the original tile in the halls, the beloved chocolate chip cookies still on the menu, the class composites for browsing that haven't moved an inch in all these years, and the beautiful staple of the cafeteria that continues to house so many memories for current students, while holding so many old for the alumni. When I walk in through the same entrance used today taking me into that cafeteria, I have a moment each time that takes me back to some of the best days of my life. It's an honor and blessing to share the same alma mater as my kids.*
